

Part Number: PL-FOWB1

FEATURES:

- Multi cable entry points
- Integrated heat shrink splice holder
- Holds up to 2 single fibers
- Multiple cable entries top and bottom
- Integrated fiber management
- Integrated shutter protects against laser exposure and dust

APPLICATIONS:

- Telecommunications
- LAN
- FTTH
- Optic fiber sensors
- Testing instruments

Technical Specifications

Item	Technical Parameters
Maximum Single Fiber Count	2
Maximum Number of heat splice	2
Number of shuttered outlets	2
Number of cable entre points	1
Height	86 mm
Width	86 mm
Depth	25 mm
Colour	White
Material	ABS
RoHS Compliant	Yes
